CASE STUDY

Axiom Properties

Our work with Axiom started with laminate countertop replacements in a multi-family property in Waukesha, Wisconsin. Axiom later inquired about our other products, and now we work with individual properties to measure their different unit types. This allows us to provide customized order forms to make the rehab process as simple as possible.

SCOPE

Axiom Properties manages over 6,000 units across Wisconsin, Illinois & Indiana.

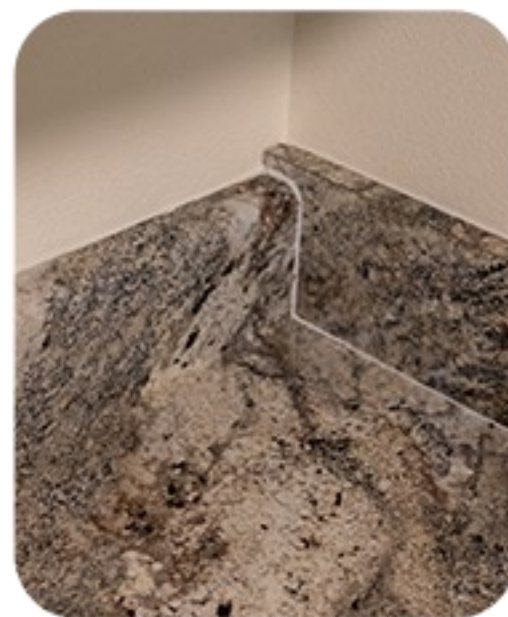

PRODUCTS

- Cabinets
- Laminate Countertops
- Stainless Steel Sinks
- Cultured Marble Vanity Tops

FREQUENCY

On average, we provide six units of cabinets per month.
